Dojo Etiquette - students refer to page 8 in your Handbook

Students show respect by bowing when they enter & leave the Dojo. We ask that students as well as parents & other spectators not wear shoes in the Dojo. Please remove your shoes & leave them on the stage with your other clothing, bags etc.

The school has asked that we not clutter the doorways as there are school staff & parents coming & going during our class times.

Parents, grandparents & friends are welcome to stay & watch the class from the stage. Please come & go quietly.

Fee payment

Post dated cheques from September to June are due by the end of September.

If you are paying cash, we require 3 months payment up front then each month thereafter.

If you decide that Karate is not for you, please provide 1 month notice.
